ACTION MEMORANDUM

OFFICE OF THE DIRECTOR

Action Memorandum No. A-47Date 17 SEP 1962

TO : Deputy Director (Support)

SUBJECT : Interior of the Headquarters Building

REFERENCE:

I have already visited some of the units in the Headquarters Building to get a first-hand report on the space situation and before very long I hope to make a visit to all the units. One of the things mentioned to me in the way of improving the interior of the Building would be to change the color of the walls. As you know, some of our people have been affected by what could be called 'the gray malady' and this is especially true of some of those working in rooms without windows. To alleviate this particular situation, I might suggest that a brighter color scheme be used and perhaps have more contrast in the color of the walls and the doors. This could be accomplished when it becomes necessary to repaint an office or any part of the interior of the Building.
